FREQUENTLY ASKED QUESTIONS

Is my paver purchase tax deductible? Yes. Your purchase is tax deductible, and a receipt will be mailed to you once your order is processed.

What can I put on the paver? Engravings are limited to text and punctuation only, except for the largest size where a logo may be added for an additional fee. The Legacy Fund reserves the right to approve all content.

Where will the pavers be located? The granite pavers will be placed at the historic site viewing area on the shore of Profile Lake in Franconia Notch State Park. They will complement new granite benches and the installation of stainless steel "Profilers," making up phase one of the planned three-part Old Man of the Mountain Monument site. Completion of phase one of the planned three-part monument is expected in the summer of 2011.

How is the state of New Hampshire involved in this fundraising effort? The N.H. Division of Parks & Recreation fully supports the private fundraising required for this memorial effort and the sale of pavers. All pavers will become the property of the state and the Parks Division.
